EDUCATION

Syosset High School, Syosset, NY — *Senior*

SEPTEMBER 2016 - JUNE 2020

Activities: Robotics (9-12), Student Government Committee Head (12), School App Developer (11-12), Chamber Orchestra (11-12), Web Development (10-11), Science Newsletter (11), Varsity Track & Field (9-10)

EXPERIENCE

theCoderSchool Syosset: Syosset, NY — *CodeCoach Assistant*

MARCH 2018 - APRIL 2019

Employed as a CodeCoach Assistant helping CodeCoaches teach students Scratch, website design using markup languages, and soft skills (such as public speaking and business management).

Ran the robotics camp for children from ages 7-14 during the Summer of 2018.

CodeNinjas Syosset: Syosset, NY — *CodeSensei*

APRIL 2019 - PRESENT

As a CodeNinjas CodeSensei, I teach basic levels of Scratch and JavaScript to elementary school children.

Diva Nails Syosset: Syosset, NY — *Front Desk Secretary*

OCTOBER 2018 - PRESENT

Helped my parents at the local nail salon as a cashier when they need extra hands at the front desk, especially when my mother was sick.

PROJECTS

Syosset High School App — *iOS Developer*

Developed the school's app that tells what type of day it is, the bell schedule, and a grade calculator.

Science Newsletter Website — *Website Developer*

Coded the Science Newsletter Club website that shows student science articles.

ENGINEERING SKILLS

Swift (iOS Development)

HTML, CSS, JavaScript

Java

Scratch

GitHub Management

CAD Design

EV3 Robot Management

AWARDS

AP Scholar with Honor: earned in my junior year after doing well on my AP tests.

Gold President's Volunteer Service: earned in my junior and senior year for my dedication to my church's orchestra

All-State Musician: earned in my senior year for earning a perfect NYSSMA music test score in the cello and a recommendation from my judge

All-County Musician: earned four years in a row for earning a high school on the NYSSMA music test.

Winter Track All-Conference Honors: earned during the 2018 winter track conference meet when our relay team placed 3rd overall.

SUMMER PROGRAMS

MOSTEC: a six-month engineering program at MIT for rising high school seniors that demonstrate a strong academic record and interest in science and engineering.
